

DONATE YOUR GLASSES

Everyone deserves the opportunity to see well, yet more than 1.3 billion people globally live with vision impairment because they can't access the eye care or eyewear they need.

Through Eye Make A Difference®, a VSP® Eyes of Hope® program, your gently used glasses can give someone in need a new outlook on life.

Help the world see better.

It's easy. Simply donate complete sets of prescription glasses or readers in good condition.

Sorry, we can't accept lenses without a frame, broken or damaged glasses, plano frames (without power or correction in the lenses), eyeglass cases, or contact lenses.

When you've filled your collection box, package the donations in a padded envelope or sturdy box and print a prepaid shipping label to ship them to us for free.

Visit eyewear donations.vspeyesofhope.com.
